Science Rules!

Date	01/29/2013
Teacher	Teacher (Demo), Jane
School	Demo Elementary School
Grade	1st Grade
Subject	Science
Goal	Help students to see science as a fun and interesting through the use of kid- oriented science DVDs.
Description	Bill Nye the Science Guy's videos have been used for years, helping students to learn about science in an exciting and fun way. I aim to introduce my students to different aspects of science in a way they will enjoy and remember. While watching the videos, students will be expected to fill out multiple choice woorksheets on the subject matter, to ensure that their full attention remains on the videos.
Benefits	Students will better retain the information and be more excited about learnign new things.
Budget Narrative	The majority of the budget will be spent on purchasing the 10-disc Bill Nye: The Science Guy DVD set. The entire collection costs \$250.00 dollars, and includes 20 episodes (300 hours of video). A small portion of the budget will be spent on making copies of worksheets for each student to complete as we watch the episodes (\$15.00) and pencils for the class (\$10.00). We will also testtesttest
