When you Adopt-A-Class 100% of your donation will go to the teacher of your choice. Teachers use donations to purchase resources that not only improve the quality of your student's education, but future students will benefit from them as well.

Remember you can adopt ANY or MANY Teachers as you'd like. Don't forget your child's Resource/Specialty Teachers such as: ESE, PE, Art, Music, ASD, and Library just to name a few. You can donate \$25, \$50, \$100 or more via credit card at the website above, or you can mail a check via the instructions below. A Teacher may be adopted more than once and anytime throughout the school year too!

This is an excellent way to support your school and your teachers and help give your student the very best they deserve!

The Education Foundation, St. Lucie is a non-profit, tax-exempt organization whose purpose is to support the teachers and students of the St. Lucie Public Schools through programs not funded by tax revenue. Parents and community members may "Adopt-A-Class" by making a donation that will enable teachers to fund creative classroom projects that provide a unique and result-oriented learning experience for students.

100% of your donation goes to the classroom you adopt.

Your donation may be tax deductible.

Please make checks payable to: St. Lucie County Education Foundation, Inc. Please cut out and include Your Classroom Connection Form and mail along with your check to:
