John J. Davino

Dear Seniors,

The St. Lucie County Education Foundation scholarship publication is designed to provide our students and their family with information on local, state and national scholarships.

Scholarship opportunities are diverse. Some offerings come from the community; others are available through state and national resources. Our local clubs and civic organizations donate thousands of dollars in scholarship money each year because they believe in you. Many thanks to them for their continued support. I would also like to thank the scholarship committee for their help in compiling this guide.

Please note that the Education Foundation is a direct support organization of St. Lucie Public Schools. Scholarship donations to the Education Foundation restrict the use of funds to benefit public school students only. We are aware that some of our scholarship donors may still offer scholarships to students from other schools. Please review the various scholarships in our scholarship guide and contact the donor directly to determine eligibility for non-public students.

Finally, while deadline dates are as accurate as possible, please check with your guidance counselor for definite dates and further recommendations. Additionally, we are accepting scholarship applications through the online process which is now available.

Sincerely,

Thom Jones

President

COUNSELOR/STUDENT CRITERIA WHEN APPLYING FOR A FREF SCHOLARSHIP

It is important to estimate the contribution a great teacher makes to our nation, to society, and to those he or she teaches during a lifetime of devote service to the teaching profession. Unfortunately, there exists, and always has existed, a severe shortage of great teachers. The Florida Retired Educators Foundation has established a fund to assist the many young people who are interested in teaching, but unable to fulfill this goal without financial assistance.

ELIGIBILITY

- Must be a **GRADUATING HIGH SCHOOL SENIOR**
- Ability to relate to and work with people of all ages.
- Academic aptitude and achievement.
- Commitment to service, with special interest in teaching children and youth.
- Economic need
- Emphasis should be placed on SAT and/or ACT scores. The acceptable score for SAT is 1,000 or above or ACT is 22 or above.
- Participation and leadership in activities of the school and community.
- Poise and ability to communicate effectively.
- There is no restriction as to sex, race, religion, national origin, or size of school. FREF adheres to the American with Disabilities Act (ADA).

CONDITIONS

A scholarship is awarded to a high school graduating senior and can be continued for a maximum for four years of college if the student maintains a satisfactory level of achievement. Satisfactory achievement is defined as a 2.0 grade point average with no failing grade in any subject.

The amount of the scholarships shall be determined and granted annually by the Board of Trustees of the Foundation. Scholarships currently will start at \$500.00. The year for which the scholarship is granted shall be from July 1 to June 30. When the scholarship is granted a notarized promissory note for the amount of the scholarship shall be signed by the recipient and co-signed by his/her parents or guardian. Each scholarship note signed may be repaid by one year of teaching in an accredited public or private school in the State of Florida.

Scholarship recipients may attend any accredited public or private community college, a four-year college or university, provided that their programs are consistent with the goal of becoming a qualified teacher. The recipient will provide the Scholarship Committee if FREF with copies of each quarterly or semester report to parents. The recipient will be obligated to teach in a state accredited public or private school in Florida one year for each year a scholarship is granted. Discontinuation of training, or interruption of teaching during the obligatory period for reasons other than health will cause the notes to become payable on demand. The notes shall carry a rate of interest at 5% compounded per annum.

PROCEDURES FOR APPLYING

An application may be obtained from the senior class counselor or career specialist in the local high school, or from the local unit of the Florida Retired Educators Association (FREA). To obtain the name of the local unit and current contact person, call 1-800-895-3732. A current completed application form and a copy of the applicant's high school transcript; including Freshman through Junior years, with the ACT or SAT score highlighted, must be submitted to the local unit of the Retired Educators Association. This is to be done no later than the DEADLINE set by the local unit of the Association for receiving applications, of the year preceding the academic year for which the scholarship is desired.

All applicants for the scholarships will be notified within two weeks of the decision of the FREF Trustees at their Spring meeting.

KEISER UNIVERSITY

2018 SCHOLARSHIP APPLICATION

REQUIREMENTS

- Scholarships are available to students who have a minimum 2.0 GPA (on a 4-point grading scale) in high school. Awards are merit based and will be judged on the applicant's GPA and financial need.
- Scholarships are available to students who will meet the graduation requirements for a standard high school diploma during the 2016-2017 school year and students receiving a GED between the dates of January 1, 2016 and November 1, 2016.
- Each student must meet all of the admissions requirements of Keiser University and make application to the college prior to applying for the scholarship. Students are encouraged to review the admission requirements by meeting with an admissions counselor of Keiser University prior to applying for the scholarship to ensure they meet the admissions requirements and understand the details of the scholarship.

TERMS AND CONDITIONS

- Keiser University provides scholarships for specific programs of study. Awards will be made for each of the specific scholarships and they are not transferable to other Keiser University campuses.
- Please note that each scholarship award will be divided across two consecutive semesters of the selected degree program. The disbursement schedule of awards will be determined by the Financial Aid Department and will be based on financial need.
- Registration/processing fees, books, lab charges, and student activity fees are to be paid by the student, unless otherwise indicated, and will vary depending on the course of study.
- A Scholarship Committee will select the winner of each scholarship.
- All decisions are final.
- Scholarship recipients will be notified by letter. In the event the individual does not contact Keiser University within 15 days of notification, the award will go to the second place winner.
- The scholarship recipients must start class no later than the fall term of the year the scholarship is awarded.

RESOURCE INFORMATION

FINANCIAL AID

There are basically three kinds of financial aid, and most students get a “package” or a mix of two or three including grants, loans, and work. Grants are called “gift aid” since they don’t have to be repaid. Loans and work are called “self help” aid. You don’t have to put your package together by yourself. The financial aid administrator at the college where you are applying will help you build a package. Exhaust all other possibilities before committing to a loan.

Here are some of the pieces it might include:

1. Pell Grants – straight from Uncle Sam to you. The Federal Government sponsors the Pell Grant Program, and it’s an important source of aid for students. How much you get depends on three things:
 - The family’s ability to pay for college (your eligibility)
 - How much it costs to attend your college
 - How many Federal dollars are availableIf you are eligible for a Pell Grant, the college’s financial aid administrator will include it in your package, together with the amount of any other aid you are eligible to receive.
2. Money you get from your state – Almost all 50 states, the District of Columbia, Puerto Rico, and other U.S. dependencies sponsor some financial aid programs for their residents and most award aid based on your need. You apply for these by completing the FAFSA.
3. Money you get from the colleges – Most colleges administer several federally funded student aid programs in the form of grants, loans and work/study. Many colleges also have their own grant and loan programs, financed by their endowments, special fundraising, gifts from alumni, and students’ tuition.
4. Money you get from banks – The Robert T. Stafford Student Loan Program is an important source of loan funds. These loans are made primarily by the banks, savings and loan associations, and credit unions, but some colleges are also lenders. The Federal Government pays the full interest on these loans while you are enrolled in college. When you graduate or leave a college, you must begin to repay the loan with interest. There is a long program for parents too. Parents Loan for Undergraduate Students (PLUS) allows parents to borrow money to help with their children’s college costs. Repayment begins 60 days after the loan is made.
5. Special sources of aid not based on need – There are thousands of special student assistance programs – public and private, local and national, large and small – that offer scholarships, grants and loans to students. You may qualify for one of these programs because of your:
 - Academic achievement
 - Religious affiliation
 - Ethnic or racial heritage
 - Community activities
 - Special hobbies or interests
 - Parents’ employers organizations
 - Organizational memberships
 - Artistic talents or athletic abilities
 - Career plans or field study
 - Employment
6. Local Civic Clubs and Organizations – You’ll probably get most of your financial aid from the government and the college you choose. But many students get that extra boost they need from one of the local civic clubs or organizations. Check the scholarship section in this book carefully for further details.

Read the catalogs or financial aid bulletins you get carefully. Be especially careful to find out each college’s deadline or preferred submission date. Be sure to submit all that information on time!!

COMPLETE THE FAFSA

Colleges, programs and state agencies want families to file a Free Application for Federal Student Aid with the Federal Government. You can usually obtain these forms from your high school guidance counselor. By completing only one FAFSA, and listing on it all the colleges, state programs or private scholarship programs to which you are applying, you can be considered for:

- Aid from the colleges
- Aid from your state
- Aid from the Federal Government, including Pell Grants
- Private grants, scholarship, or loan programs

Many colleges use only the information you report on your FAFSA. Others also use their own financial aid application forms. Be sure to ask for all required forms and information. If a college wants you to complete its own form, it will send it to you, but only if you have told the college you want to apply for aid. It will also tell you if it needs copies of your parents' tax form or other information.

Complete your forms accurately, legibly, carefully, and on time. Although financial aid applications usually ask for information about your family's income for the last year, you don't have to wait until you've completed your income tax form to fill out the forms.

You may, however, want to refer to your wage and tax records, such as W-2 forms, paycheck stubs, and IRS form 1040 or 1040A. If you don't understand the instructions, ask somebody – your counselor, a college you are applying to, or an accountant. The Financial Aid Office at I.R.S.C. is very helpful to parents and students who have questions with financial aid forms.

You can't submit a FAFSA before January 1st – but you should send it to the address on the form as soon as possible after that date, or at least four weeks before the earliest deadline at the college to which you are applying. Deadlines have never been more important. If you apply late, there may not be enough money left to meet your full need. You can prove you met a college's deadline by mailing your forms from the post office using certified mail, return receipt requested, for the forms required by the college. Do not send your FAFSA certified mail.

You can complete the FAFSA online at www.fafsa.ed.gov

COSTS OF COLLEGE ATTENDANCE

TEN STEPS TO A WINNING SCHOLARSHIP APPLICATION

- I. START EARLY
 - a. Use the online College Scholarship Guide.
 - b. List scholarships you are eligible for.
 - c. Make a scholarship calendar of deadline dates.
 - d. Research, research, research!
- II. STAY INFORMED
 - a. Check with your scholarship counselor frequently.
 - b. Use your scholarship bulletins or monthly listings.
 - c. Read posted scholarship information
- III. DO A ROUGH DRAFT
 - a. Make a copy of all the various applications and complete a rough draft.
 - b. Use the rough draft as a guide to complete the application neatly and correctly.
- IV. GIVE YOUR GUIDANCE COUNSELOR AND REGISTRAR LEAD TIME
 - a. Allow your counselor and registrar several school days to complete information needed on the application such as, GPA, class rank, recommendations, etc.
 - b. Allow at least two weeks for a formal letter of recommendation.
- V. CREATE A RESUME
 - a. Make a list of all awards, recognitions, activities, special talents, work experience, and school/community service. Include clubs, offices held, church involvement, etc.
 - b. Keep this information updated and ready to print out as needed.
 - c. Attach a copy of your resume to the scholarship applications, if requested.
 - d. Give a copy of your resume to each person you ask to write a letter of recommendation for you. This is a helpful guide for them to be able to write specific information about you.
- VI. ALLOW TIME FOR AN ESSAY
 - a. Follow directions regarding content and format.
 - b. Complete a rough draft.
 - c. Have your essay critiqued.
 - d. Bring a personal touch to your essay. Complete a neat package.
- VII. REQUEST A TRANSCRIPT IN ADVANCE
 - a. Give the registrar lead time to request/send your transcript.
 - b. Allow time in case of computer problems and for correcting your transcript if needed.
 - c. If you completed the Voluntary and Community Service class, make sure it has been recorded on your transcript in the appropriate place.
- VIII. PULL IT TOGETHER
 - a. Compile the application and supporting paperwork, staple together.
 - b. Present your application in the very best manner possible. It is a reflection of you.
- IX. MAIL YOUR APPLICATION PROMPTLY
 - a. Mail your application well before the deadline at the post office so that there is no postage due.
 - b. Address application with as much specific information as possible so that it does not get lost or delivered without information listing responsible person/office in the organization or business.
